

# Murray Valley Rural Services

## Graduate Trainee Agronomist

Murray Valley Rural Services - Yarrawonga VIC

We are seeking a recent graduate Agronomist with drive and enthusiasm to join our progressive team.

### About the role:

As a member of the Agronomy team, you will support new and established clients to develop business opportunities through sound agronomic practices. The business will provide support to keep abreast of new ideas and technologies.

In particular, you will learn and develop skills in:

- Establishing and building customer relationships.
- Nurturing and developing best management practice principles.
- Paddock planning and recording software.
- Precision Ag opportunities and implementation.
- Forecasting and sales to customers.
- Safe work practices operating under AGSAFE guidelines.

### About you:

You must be a recent graduate with tertiary qualifications. You will be motivated and driven, willing to learn and will have a strong interest in agricultural production and technology.

You will have strong written and verbal skills, established computer skills and a willingness to learn and embrace new systems-based technologies.

You are a team player who loves working with people but can work autonomously when required. You aim to provide customers with workable solutions for their needs.

### About us:

Murray Valley Rural Services is a member of the CRT group of independent stores, and services an expanding client base covering Northern and N.E. VIC and the Riverina area in Southern NSW.

Established in 2000, the business has outlets in Yarrawonga VIC and Berrigan NSW, and provides an extensive range of agronomy solutions for dryland and irrigated winter and summer crop programs, as well as a strong focus on pasture-based solutions for productive livestock-based systems programs.

Murray Valley Rural Services was voted the **CRT VIC/Tas Business Partner of the Year in 2019** in recognition of its outstanding contribution to the high level of service it provides to its customer base.
